

ITEM REF NUMBER:	8/ 2008	MEETING DATE:	11 March 2009
ITEM TITLE:	Southwark Alliance Work Programme		
REPORT AUTHORS:	Steve Tennison		

1. Summary

At the 10 December 2008 meeting, the Board was advised that the work programme would continue to evolve, as the Comprehensive Area Assessment (CAA) process and GOL reporting requirements for the Local Area Agreement become clearer, and would be kept under review.

A revised and updated work programme is set out in Appendix 1. The main changes from that reported to the 19 February meeting are:

- an update on proposals under the Sustainable Communities Act on 22 April
- inclusion of a session on citizen intelligence (incorporating results of Place Survey and Third Sector Survey) on 22 April, as requested at the February meeting
- consideration of the new draft Housing Strategy on 10 June, rather than 11 March
- inclusion of a session on the impact of the economic downturn at the 10 June meeting
- the presentation of the draft CAA Area Assessment on 15 July, rather than 10 June, in line with the advice of the Lead Inspector.

Further Board meetings will be scheduled presently, and are likely to give particular emphasis to issues arising from the CAA self evaluation and Area Assessment.

A further report on Improving Life Chances will also be scheduled in the autumn, in line with the decisions taken at the 19 February meeting. At a later stage, most probably in the autumn, it is also proposed to initiate a discussion on partnership governance arrangements.

2. Recommendations

The Board is asked to:
